

## Reveal lashes you didn't know you had

Define your lashes like never before with a mascara that had 97% of consumers agreeing that their lashes were evenly coated\* and 95% agreeing that their lashes were well-defined throughout the day.\*\*

MOODSTRUCK EPIC twisted mascara utilizes two innovative applicators to separate and define every lash—shining a spotlight on even the smallest, thinnest lashes. The spiral-wired bristles of the micro brush separate and coat each lash (even the hard-to-reach ones!), while the denser molded brush provides extreme definition.

Use these brushes on their own for an understated yet well-defined lash look, or try them together for a more dramatic effect. Plus, the fiber-free formula is filled with nourishing ingredients and flexible synthetic polymers to help condition lashes while building volume and curl. With each application of MOODSTRUCK EPIC twisted mascara, you're sure to discover lashes you didn't even know you had.

\* Results from an independent third-party consumer study. Individual results may vary.

\*\* Results after eight or more hours of wear.
